

Date :- 18/04/2023

The Director of Fisheries

Govt. of Goa

Dayanand Bhandodkar Marg

Panaji, Goa.

Sub: Fishery Improvement Project (FIP) on Indian oil sardine & Indian mackerel along the coast of Maharashtra & Goa- Regarding development of Fisheries Management plan for Goa.

Dear Madam,

Kindly recall the discussion Mr. K J Antony and Mr. Kamlesh Parab of our Company had with you in your chamber on 16th January 2023 regarding the development of Marine Fisheries Management Plan for Goa.

During the discussion we had handed over you the draft copy of Indian Marine Fisheries Code (IMFC) and a copy of the Management Plan for the Marine Fisheries of Tamil Nadu developed by CMFRI for your kind reference.

We also brought your kind notice the need for an effective Marine Fisheries Management Plan by the Directorate of Fisheries for moving forward and make our FIP successful. We also highlighted the importance of FIP in maintaining a sustainable, well managed Fisheries in accordance with our National Fisheries Policy.

A report to Marin Trust (our certifying agency) based on the approved fishery action plan is pending for want of the Marine Fisheries Management Plan for Goa.

We shall be grateful if you could kindly look into the matter and see that the subject is expedited at the earliest.

Yours faithfully
