Reference: Certificate extension N° PE22/819943967
MarinTrust Global Standard for Responsible Supply v2.0

Dear Sirs:

Hereby, we hereby acknowledge the approval of the extension of the validity of the **MarinTrust v2.0** certificate, with reference number **N° PE22/819943967**, which has been extended for an additional period of three (3) months, from **March 8, 2025, to June 8, 2025**.

The extension will be valid for (3) months. The reason for this extension was mainly due to the delay in the fishery evaluation results, causing a recertification audit to not be scheduled on the corresponding due date.

During this period, the certificate maintains its original validity and conditions.

We attach a copy of the updated certificate for your reference. For any additional questions, we remain at your disposal to provide the necessary information.
