COMMUNICATIONS PLAN

Main Activities

- "Blue whiting, red alert" postcard production
- Social media package
- Media engagement pieces
- Events team support (logistics, delivery, speaker support, organiser liaison)

Best Supporting Fish

- Relevant to NASF conference supporting salmon and aquafeed industry
- Integrated to add creativity and impact

Key Objectives

- Impact of blue whiting mismanagement on the salmon sector
- Time is running out the blue whiting FIP ends Oct 2026
- More voices speaking out means a better chance of influencing Coastal States
- NAPA's work is vital + recent expansion in market presence

FISH, FISH EVERYWHERE

BLUE WHITING RED ALERT

Discover more here

The global seafood market is united in sounding a RED ALERT on NE Atlantic blue whiting. WHY?

Because the fishing of it has exceeded scientific advice for years. Now decision-makers must FOLLOW THE SCIENCE and AGREE CATCH SHARES before it's too late.

Blue whiting postcards

- Blue Whiting, Red Alert
- 'Medium' campaign messaging
- QR code:
 - Link to blue whiting web page
 - Key asks / points
 - Can be tailored / amended for future events

Distribution

- In discussion: conference delegate packs
- At the event: on tables, stands, handed out by NAPA team

BEST SUPPORTING FISH

Highlighting blue whiting's fundamental role in supporting the feed and salmon farming sectors

Pre-NASF

- Social Media
 - Context-setting / reminder on blue whiting
 - Promote NAPA's NASF event
 - Best Supporting Fish teaser
- Press release (just before the conference)
 - Highlight NAPA's attendance at NASF purpose, key messages
 - Best Supporting Fish importance of NAPA's work to safeguard blue whiting

During NASF

- Social media:
 - Winner of Best Supporting Fish: BLUE WHITING!
 - On the ground updates and photos from the NAPA team & Partners
 - Photos of blue whiting postcards in people's hands

After NASF

• Recap of NASF + NAPA's session, with quotes from NAPA Partners

All messages underpinned by Key Objectives
