EXTERNAL EVENTS

Open meeting invitation: "New feed resources, from innovation to new Norwegian industry?" Tuesday, March 26, 2019 November.

22. November 2024

[Our translation]

The Norwegian Biotechnology Advisory Board and Bergen Chamber of Commerce and Industry extends an open invitation for the meeting

"New feed resources – from innovation to new Norwegian industry?" [New feed resources – from innovation to new Norwegian industry]

- **Date:** Tuesday 26. November 2024
- **Time:** 17:00 – 18:00 (refreshments and mingling between 18:00 – 19:00)
- **Place:** Grand Bergen

Participants:

- Monica Mæland (CEO, Bergen Chamber of Commerce)

- Leif Kjetil Skjæveland (Sustainability Manager and Public Affairs, Skretting)
- Olav Fjeld Kraugerud (Senior Advisor Sustainable Feed, Bellona)
- Karl Almås (Special Adviser, SINTEF Ocean)
- Arild Johannessen (CTO, Gas2Feed AS)
- Anne Hvistendahl (Global Head of Seafood at DnB)

There will be an exciting debate about what is needed to turn research and innovation into a new Norwegian industry.
