

This is to confirm that

IP Doc No: IP2532

Saengcharoen Wattana Fishery Co., Ltd.

68 Moo 7, Khaoroochang, Muang, Songkhla, Thailand, 90000

Has been officially accepted into the

MARINTRUST IMPROVER PROGRAMME (MARINTRUST IP)

The above site:

- Is compliant with the MarinTrust standard criteria and sources from an MarinTrust approved Fishery Improvement Project (FIP)
- Is an active member of the Fishery Action Plan (FAP) Stakeholder group committed to progress and to achieve the agreed milestones in the MarinTrust IP FIP
- Shall ensure that marine ingredient products produced from a MarinTrust IP approved FIP are separated from MarinTrust certified products
- May only use wording related to the MarinTrust IP as outlined in the MarinTrust Improver Programme Accepted Sites Claims Agreement (this can be found on the MarinTrust [website](#))

The expiry date stated on this acceptance document is valid on the condition that the Gulf of Thailand mixed-trawl FIP passes the agreed milestone objectives, and the above site maintains compliance with the MarinTrust standard criteria and procedures
