Dear Sir,

Kindly refer our email dated 09th June 2025 on the subject seeking an appointment with you on 03/07/2025 for appraising the progress of our ongoing FIP on Indian oil sardine & Indian mackerel and to brief about the new FIP on trawl by catches along the Goa and Maharashtra coast. Due to some unforeseen reasons, we could not make the visit to Kochi as envisaged.

Now we would like to request you for an appointment on 30th September 2025 (forenoon) for discussing the following points.

- 1 Interaction of ETP species in purse seine and trawl fishery
- 2 Type of trawl nets used and the catch composition in trawl fishery
- 3 Installation of TEDs in trawl net

Mr. Duncan Leadbitter (Director - Fish Matter, Australia) our FIP manager, Shri. Manoj Kushe, Director - Omega Fishmeal And Oil Private Limited, and Shri K J Antony, our FIP coordinator will attend the meeting.

You are kindly requested to confirm the appointment at the earliest.
